

# Do you want to see the Blockbuster of this summer ... for FREE?

**Come and see Jesus Christ at Epiphany! He has saved the world!**

**Now the real question .. Has He saved you?**

This summer, Hollywood promises blockbuster movies about gods, mutants and super-powered humans saving the earth. In the blockbuster book of all time—the Bible—we learn how the planet Earth has been plunged into a world of darkness, sin and death. The peace of a perfect creation did not last very long. Satan desires to have humans join him in the pits of hell. He has been plaguing the world for millennia. Into this dark world, a tiny infant was born.

This little child really was a Superhero. He grew up to make the lame walk, the blind see, and the dead live again. He calmed a storm, fed a crowd, showed compassion to the masses ... and then he was brutally whipped, beaten and crucified. This Hero rescued the world and brought peace where there was anarchy, joy where there was sorrow, and salvation where there was death and destruction! At Epiphany Lutheran Church, we are reading the Bible to learn more about this Superhero, our Savior, Jesus Christ.

We are inviting you to discover hope and peace through Jesus Christ. Learn how Jesus has really saved the world ... and you! This class is an excellent way to learn or review the basic teachings of the Bible. Whether you are new to reading the Bible or have studied the Bible for years, you will learn something new and your faith will be increased. Ask any question. Get straight Biblical answers.
