

'Tis the season for making lists. Creating a list for the things we want for Christmas is a much anticipated event in many households. My mother-in-law would have her list made out already in July. I am not sure if everyone is that anxious but most likely it is not too difficult to construct a list of the things we think we need or at least what we want for Christmas. How many are familiar with the infamous Thanksgiving list? Have you

' A Thanksgiving List'

*"Give thanks to the Lord,
for he is good.*

list, what would you include?

As with many families and individuals, high schools often are very good at publishing wish lists but maybe not so good at publishing Thanksgiving lists. The writer of Psalm 136 gives us a great example of what a Thanksgiving list might look like. He was thankful for God's marvelous creation, the deliverance from Egypt, the trip through the desert and the conquest of Canaan. In each case the writer recognizes the enduring love God showed for his people in bringing them safely to the promised land.

We are thankful for the marvelous creation of our dear Shoreland Lutheran High School and all of the blessings it brings to all who have been touched by its ministry work. The Shoreland Thanksgiving list modeled after Psalm 136:

"Give thanks to the Lord, for he is good. His love endures forever. Give thanks to the God of gods. His love endures forever. Give thanks to the Lord of lords. His love endures forever."

- To him alone who has done great things for Shoreland Lutheran High School. *His love endures forever*

- Who has provided guidance and blessings for the last 39 years. *His love endures forever.*

- To him who works through faith-filled hearts to support the Christ-centered programs offered to the young people of our federation and community, with their time, talents and treasures. *His love endures forever.*

- Who has created a tool for parents to assist them with the awesome task of raising their children in a sin-filled world. *His love endures forever*

- To him who supplies dedicated teachers who are unified in faith and purpose. *His love endures forever.*

- And staff people, who with Christ in their hearts, work to make Shoreland the best it can be. *His love endures forever.*

- Who has guided 1860 young people to graduate from Shoreland and begin the next chapter of their lives with a firm Christ-centered foundation. *His love endures forever.*

- And has freed us from our spiritual enemies through Christ. *His love endures forever.*

- And has promised to provide all of his people with everything they need. *His love endures forever.*

God's richest blessings go out to the Moldenhauer family as they begin a new chapter in their life.

Edline and Grade Reports

One quarter of the year has been completed. Amazing! Please remember that at the end of first quarter *progress reports* are issued (summaries of academic performance through the first 9 weeks.) We pray that each student is using their God-given abilities

fully! **These grades are not calculated into a student's cumulative grade point average.** It is an official update that reminds students that there are nine more weeks to improve or continue.

Since the Edline report does not show a grade point average, you can use the chart below to calculate a grade point average on your own. Simply add up the Mark Points assigned to each letter grade on the grade report and divide by the total number of grades. Please call the office and ask for Mr. Dorn if you have questions about your report.

A Tour of the Holy Land

Pastor Bauer, a member of the Shoreland faculty, will be leading a tour to Israel next summer. The 10-day Biblical Tour of the Holy Land will be take place June 20-29, with an optional three day tour to Rome, Italy. Pastor Bauer has done two study tours to Israel during his ministry. The excursion will take you to the places where Jesus lived and walked: Jerusalem, Nazareth, Capernaum and areas around the Sea of Galilee. You will also visit significant sites of Old and New Testament history. A trip to the Holy Land is a trip of a lifetime. To walk in the land that the Lord gave to Abraham, David, and Jesus is to make your study of the Scriptures come alive. You gain a new appreciation of God's gracious plans for his people, and for you. If you would like more information and a brochure, please contact Pastor Bauer at bauer@slhs.us.

CHORAL FESTIVAL 2010

The Festival Singers are busy preparing for the WELS Regional Choral Festival which will be held at Manitowoc Lutheran High School in Manitowoc, WI on the weekend of November 12-14. You may remember that this past April, the students attended the National Choral Festival in Phoenix, AZ. Manitowoc may not have the glamour of Arizona in the springtime, but the experience for the students is just as exciting and memorable. Besides performing their Show Choir tune on Friday evening, the choristers join their voices with 300+ WELS students from 10 area Lutheran High Schools for a glorious sacred concert on Sunday afternoon. Manitowoc is only two hours away. A Sunday afternoon trip to Manitowoc will afford you an opportunity to be spiritually uplifted by wonderful music dedicated to the Savior of all people. Are you interested? Please find more information on the SLHS home page. Look under "Fine Arts – Vocal" to find maps and other information about the choral festival weekend.

Friends from Germany Visit SLHS

Shoreland Lutheran High School recently hosted 20 students and two teachers from Darmstadt, Germany. Each visitor stayed with a host family from Shoreland from

September 10-21. They participated in outings to local Racine and Kenosha attractions as well as in Chicago, Milwaukee and Madison. The students also got a taste of school in America as they shadowed students at Shoreland. According to the students, highlights

included the John Hancock Observatory in Chicago, attending a Brewer game, and being at Shoreland and hanging out with their new American friends.

Students in Shoreland's German program are planning to return the visit in summer 2011. The partnership between Shoreland and Lichtenbergschule in Darmstadt, Germany began in 1993 and also includes Winnebago Lutheran Academy in Fond du Lac.
